

JUSTICE FOR RENTERS!

FAIR RENT AT THE **NORMANDY APARTMENTS**

RENTER SOLIDARITY MARCH IN THE CULLY NEIGHBORHOOD
- SATURDAY, FEBRUARY 25 12:30PM -
NORMANDY APARTMENTS - 4605 NE KILLINGSWORTH
FAMILIES WELCOME • WEAR WHITE AND BLACK

When investors bought the Normandy Apartments in December, their first act was to double the rent. Our neighbors – 18 families and over 30 kids – are in danger of losing their homes. Similar situations are unfolding all over Portland, with hundreds of families being displaced by rising rents and “no cause” evictions. **The Normandy residents are fighting back!**

Tenants throughout the city are fighting back.
They need our support!

CALL for the State Legislature to protect all renters from these unrestricted rent increases and evictions.

MARCH with our Normandy neighbors on Feb. 25th as they call on their landlord for fair rent and stability for their families.

MEET at 12:30pm at the Normandy Apartments. March ends at Rigler Elementary at 2pm for a rally, food and family fun!
